

FIRST PEOPLES'  
CULTURAL COUNCIL

# Language Technology Program

## OPEN FOR APPLICATIONS

**Funding amounts up to: \$180,000**

A combination of FirstVoices and Digitization, this program supports communities to develop interconnected language technology programming. This program is for First Nations communities, governments, bands and tribal councils and Indigenous organizations located in B.C.

**Deadline: January 17, 2022**

## Program Contact

**We are here to help & support you with your online applications!**
